

9400 | SIMPLY EFFICIENT

PRINTING CAPABILITIES

Increase your printing capabilities by choosing a 9400 series coder. Ensure the **traceability** of your product, protect **your brand** when you need it and **support your marketing campaigns** directly on your product!

Our large array of inks from permanent, coloured, sustainable (MEK-free, Ketone-free), etc. have been extensively tested to fit your exact substrate and all will satisfy your need for contrast and adhesion.
